Citations Affected: IC 2-3.5; IC 5-10.2; IC 5-10.3; noncode.

Synopsis: Public retirement fund benefits. Permits members of the teachers' retirement fund (TRF) and the public employees' retirement fund (PERF) to change investment selections once each day, with the change being effective on the next business day after the fund receives the change notice. Establishes the market valuation date of a member's investment as of five business days before the date of the member's distribution or annuitization at retirement, disability, or suspension and withdrawal. Reduces from ten to eight the number of years of creditable service a member of PERF must earn to obtain vested status with respect to members who retire after December 31, 2010. Codifies a noncode provision that permits members of the legislator's retirement system to change investment selections once each day. Repeals the noncode provision. Provides for a thirteenth check for members, survivors, and beneficiaries of the public employees' retirement fund.

25 under this section or has elected to withdraw the member's annuity
26 savings account under IC 5-10.2-3-6.5, the retirement benefit for each
27 member consists of the sum of a pension provided by employer
28 contributions plus an annuity provided by the amount credited to the
29 member in the annuity savings account. If a member has elected to
30 withdraw the member's annuity savings account under IC 5-10.2-3-6.5,
31 the member's retirement benefit is equal to the pension provided by
32 employer contributions, unless the member has transferred the
33 creditable service earned under the public employees' retirement fund
34 to another governmental retirement plan under IC 5-10.2-3-1(i).
35 (b) If a member has not elected to withdraw the entire amount in the

42 the member's annuity savings account balance as it existed on

**c

December 31, 1986.

If the member chooses to receive the distribution under subdivision (1), the member is not entitled to an annuity as part of the retirement or disability benefit. If the member chooses to receive the distribution under subdivision (2), the member is entitled to an annuity purchasable by the amount remaining in the member's annuity savings account after the payment under subdivision (2).

(c) Instead of choosing to receive the benefits described in subsection (a) or (b), if a member has not elected to withdraw the entire amount in the member's annuity savings account under IC 5-10.2-3-6.5, a member may choose upon retirement or upon disability retirement to begin receiving a pension provided by employer contributions and to defer receiving in any form the member's annuity savings account. If a member chooses this option, the member:

(1) is not entitled to an annuity as part of the member's retirement or disability benefit, and the member's annuity savings account will continue to be invested according to the member's direction under IC 5-10.2-2-3; and

(2) may later choose, as of the first day of a month, or an alternate date established by the rules of each board, to receive a distribution of:

(A) the entire amount credited to the member in the annuity savings account; or

(B) an amount equal to the member's federal income tax basis in the member's annuity savings account balance as it existed on December 31, 1986.

If the member chooses to receive the distribution under subdivision (2)(A), the member is not entitled to an annuity as part of the member's retirement or disability benefit. If the member chooses to receive the distribution under subdivision (2)(B), the member is entitled to an annuity purchasable by the amount remaining in the member's annuity savings account after the payment under subdivision (2)(B). If the member does not choose to receive a distribution under this subsection, the member is entitled to an annuity purchasable by the entire amount in the member's annuity savings account, and the form of the annuity shall be as described in subsection (d) unless the member elects an option described in section 7(b)(1), 7(b)(2), or 7(b)(4) of this chapter. The amount to be paid under this section shall be determined in the manner described in IC 5-10.2-2-3. ~~except that it shall be determined as of the last day of the quarter preceding the member's actual distribution or annuitization date.~~ However, each board may by rule provide for an alternate valuation date.
